POST Plan IV

Description: The purpose of this course is to develop the instructor knowledge and skills of the POST instructor who is interested in further enhancing their skills in leadership, mentoring and coaching as an instructor. While this course is a requirement for all who wish to earn advanced level certification, any law enforcement instructor may attend the course. This is an opportunity to increase your knowledge and skills in this critically important area of training.

This course is designed for active, hands-on participation by the students. Course work will include learning activities and other hands on practical exercises.

This course satisfies the requirement for certification in the IDI program at Level 3 and is open to any trainer teaching California Law Enforcement.

POST Plan IV: There is no tuition for this course and there is reimbursement for travel and per diem expenses either via Training Reimbursement Request (TRR) through your agency or Letter of Agreement (LOA).
