# **IDI Level II Intermediate Core Course**

Presented by the Regional Training Center

---

**Description:** Level 2 builds upon everything that was learned in Level 1 by introducing more advanced techniques that both enhance the professional quality of your instruction and helps to better internalize student learning. You, as the instructor – student, are provided with more opportunities to explore and practice both the science and the art of adult learning. You are also exposed to the basics of instructional design.

**Requirements:** Completion of AICC (Level 1) or its equivalent. Laptop computers are highly desired. This is a requirement for IDI Level II.

**POST Plan IV** is used for this course. For POST reimbursable agencies, there is no tuition for the course, and there is reimbursement for travel and per diem expenses either via TRR or Letter of Agreement (LOA). For agencies using TRRs, this course is exempt from the current POST reimbursement restrictions.

**Certified Hours:** 40 hours, 8:00 am - 5:00 pm  
**Course Certification:** 9070-21707

**Questions:** For questions please contact the Regional Training Center at (858) 550-0040.
